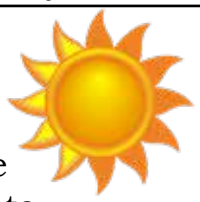
Civic Meeting

The May Civic Meeting is Saturday, May 5th at 10:00 AM in the CCE Clubhouse. Coffee and donuts will be served starting at 9:30 AM. Please bring a food pantry donation. And don't forget to wear nametags! Tickets for Memorial Day Picnic and Pool party will be sold for $10 each.

Food Pantry

The baskets were filled in April with donations from Snow Birds heading North. Now it is up to us, the full-time residents, to remember that the people who use the Food Pantry do not leave town. Peanut butter or jelly will help to fill the tummies of children out of school for the summer. Contact Jean Price, 941 485 7277 for more information.

Sunshine Fund



If you know of a resident who needs a little ray of sunshine, we can let them know that we care, by sending them a card to cheer them up. Just list the name and reason on one of the contact sheets which are posted in two locations – the bulletin board in the Clubhouse Meeting Room and the bulletin board near the Library in the Activity Building. Sheila Everitt, 941 484 1580 is the contact for more information

Call-In Service

For those of you who are ill, rehabbing from surgery or an accident, or reside alone and would like someone to check on you, CCE offers a volunteer Call-In Service. There is no charge for this service, but you must request it by signing up with the CCE Friendship Team. Just knowing that someone is checking on you daily can be a great relief for those residing alone. If you are interested, please contact Sally Cowin at 941 480 9109 for more information.

Save Those Stamps

Recycle your used postage stamps by placing them in large envelopes located on the Bulletin Boards in the Clubhouse Meeting Room and the Activity Building. Millie McCowan collects them for the Audubon rehab center. Thank you.

May Potluck

The first potluck of the spring is scheduled for Friday, May 11th at 5PM in the Clubhouse, hosted by Ruby Steiner, 941 486 8689. Volunteers are needed, please, to help with set up, serving and clean-up. Plus, volunteers to help with baking cakes for dessert. Please bring a dish to share, eating utensils, plates and BYOB. Tea, coffee and desserts will be provided. Please contact Ruby or Diane Bunting, 619 318 0380, for more information.

REMEMBER, MAY 13TH IS MOTHER'S DAY!

We wish all the Mom's a relaxing, wonderful day.

Women's Voices

I have a long time client who is trying new hearing aids. We'll call him Bob. Bob has worn hearing aids for years and his lifestyle is very active. He is involved with a few groups in town, regularly attends HOA events and connects with his family frequently. His level of activity is what I define as a demanding lifestyle for hearing.

To ensure a successful fit, I let him try a variety of manufacturers so he was confident in his hearing. He dropped in during one of his demo phases and Karen was in her office, so he popped his head in and said "hi" to her. He made a slight comment about having challenges hearing women's voices, so Karen wanted to dissect exactly what the challenges were so I could help Bob hear his best.

So, Bob mentions he struggles to hear women's voices in TV and music. Also he struggles when he is sitting in the backseat of a car.

Bob is currently wearing a higher end hearing aid that offers more flexibility to attack specific areas of hearing loss. I was able to adjust three internal settings speech in noise, noise reduction and soft speech. I adjusted each of these settings from the manufacturer default setting to one that was specific for Bob's listening preference.

Bob wore the hearing aids with the new settings for a couple of days and reported back that he did hear better with the new settings that were specific to his loss. He was able to hear his wife with less strain.

If you also struggle to hear women's voices clearly or your grandkids or you haven't heard the birds that migrated this season, call us to have your settings adjusted to your listening preference.
