Volume XXVII, Issue 8

August 2017

**MANAGER’S REPORT**

Canal docks 1 thru 10 will be replaced this summer. New ones will be installed using Trex. Should be sometime in August.

Quotes have been received on the shuffle board roof replacement. Decision will be made next month at a BOD meeting.

On the roads we are still exploring other alternatives. This project will be taken up when all shareholders get back in the late fall. We will receive input from the shareholders on this project.

Hurricane Information Packets are ready. Contact office for a packet.

Public hearing #2 on the proposed condo project will take place August 1st.

Florida DEP has completed an inspection and survey of all docks and submerged land on the intercoastal waterway. Last inspection was completed in 2003. Results to follow as we are in the process of meeting with the DEP.

We hope everyone enjoys their summer up North and for the year round residents to enjoy the quiet schedule down here.

**4TH OF JULY PICNIC**

Our great 4th of July picnic was astounding, hot dogs were excellent and the corn was second to none. Not to mention all the great goodies provided by our guests. Desserts Great. Over 50 people attended. Thanks to the M & M girls (Marie P. and Mo H.) who hosted this event. Thanks to the new cooks Bob V. and Chris S.

*Solutions  
Not a Sales Pitch*

I have worn hearing aids for a number of years, on and off. I say on and off because it has been off more with my most recent pair purchased from another provider in Venice. I had an annoying problem with feedback, which neither they nor another local provider were able to correct or alleviate. Both told me I should consider newer, more advanced models, which they would be happy to sell me. Since mine were similar, I felt they were more interested in making a sale than helping me. As a result, they wound up in my dresser drawer (not an uncommon situation.) I decided to give it one more go. A friend referred me to Blair Post at Contemporary Hearing.

What they said couldn't be done, was done by Blair.

No sales pitch on newer models; just a willingness to listen to and work with me.

After testing my hearing, he patiently worked with me to make adjustments to the programming. He also refitted the aids with new leads and cones. The ones I had were not sized or fitted properly and caused much of the feedback.

I was given a follow up appointment the next week at which time Blair fine tuned the programming and changed out one of the cones for another size. These were simple, inexpensive solutions to a fixable problem. Although I was advised of charges ahead of time, no payment was collected until I was satisfied.

Although I found Blair to have an abundance of knowledge, patience and humor, his greatest attribute is INTEGRITY. He honestly wants to help. I would recommend Blair Post and Contemporary Hearing to any person desiring to improve their hearing.
